

Staufix FKA conversion kit DN 100-200, fr. 01/2012, 15 m cable

Article information

Item no.: 80104

GTIN: 4026092051344

Price group: 30

Description

The conversion kit is equipped with a motor-driven closure system, which is closed automatically in the event of backwater. A second closure system serves as an emergency closure to be closed by hand.

The station is controlled by a user-friendly control unit, which is optionally integrated in the building management system via a potential-free contact, or alarm and collective fault messages can be output via a GSM interface.

The conversion kit is used to upgrade backwater chambers LW 1000 and backwater module chambers LW 1000 with the Staufix FKA backwater valve.

General characteristics

Standard: EN 13564 Nominal size (DN): 100-200

Note on nominal size: Hydraulics correspond to DN 150

Type of wastewater: for wastewater with and without sewage

Backwater protection: Type 3

Type de protection moteur: IP 68 (3m/48h)

Cable length: 15 m

Dimensions

Net weight:7,83 kgGross weight:8,82 kgPackaging dimension:lengthPackaging dimension:widthPackaging dimension:height
